\$35,000 FIRE DESTROYS BIG M'BETH FARM

Damage was estimated at he tween \$30,000 and \$35,000 when fire destroyed a large barn owned by Orville McBeth, at Wenksville, Tuesday afternoon.

Arendtsville Fire Chief Clyde Sell said the estimate includes some large machinery. The cause of the blaze is not known.

McBeth, Donald Black and Jay Rouse were at the turkey sheds several hundred feet from the barn, across a pond, when they saw smoke issuing from the top of the barn at one side. Moments later, as if there had been an explosion, flame burst out every-

The fire started a little after 4 o'clock. Arendtsville, Bendersville and Biglerville firemen were summoned. They poured water on a shed nearby and on a frame house used as the home of Puerto Rican migrant laborers close to the barn to prevent the fire from spreading to those structures.

DOWNPOUR HELPS

About 5 o'clock a downpour of rain wet down all surrounding buildings. The Bendersville and Biglerville firemen were then released, and Arendtsville remained until about 6 o'clock. McBeth had spray rigs available in event the flames should spread.

The men had been in the barn in the morning but saw nothing amiss. No one had been in the barn during the afternoon. Chief Sell said the loss was par-

tially covered by insurance.

KENNEDY PLUGS FOREIGN AID IN NEWS MEETING

By GEOFFREY GOULD WASHINGTON (AP)-President

Kennedy has put in a strong plug for his foreign aid program, timed to the opening of House debate on the big measure.

"However tired we may get of this program, our adversaries are not tired. I don't think this country is tired and the cause of freedom should certainly not be fatigued.' he told a news conference Tuesday, only hours after the authorization reached the House floor.

Asking for full House support of the bill, Kennedy said: "No party or group should call for a dynamic foreign policy and then seek to cripple this program."

"One wonders which concrete actions critics would like to stop,' he said. "Should we scrap the Alliance for Progress, which is our best answer to the threat of communism in this hemisphere? Should we deny help to India, the largest free power in Asia, as she seeks to strengthen herself against Communist China? Do we wish to Turkey and Greece, countries along the very rim of Communist

NO TIME TO SLACKEN

"This is not the time to slacken our efforts," Kennedy said.

Kennedy's words drew an echo in the house from Rep. Thomas E. Morgan, D-Pa., chairman of the House Foreign Affairs Committee,

"Now is not the time to scrap the entire program. It would mean our entire foreign policy would have to be revised and our military policy completely reorganized," said Morgan, who is guiding the measure through the House. The bill may reach the amend-

ment stage late today. Rep. E. Ross Adair, R-Ind., these two categories.

YOUNG ROOKIE BLANKS PHILS IN FIRST START

By RALPH BERNSTEIN Associated Press Sports Writer PHILADELPHIA (AP) -- One victory doesn't make a major league career, but when it's your

first starting assignment for the hapless New York Mets yet and against a hot team on an eightgame winning streak, it's an Young Grover Powell, who

was kicked off the University of Pennsylvania baseball team because he missed a bus in his junior year, shut out the Philadelphia Phillies 4-0 in the first game of Tuesday night's doubleheader. The Phils rallied to win the second 2-1. You would have thought Powell won the first game of the World Series.

In the clubhouse after the first game, Powell took the ball and had each of his teammates autograph it.

EARLY TROUBLE

"I'm going to stick it in my front window," said the slim-built youngster from Wyalusing, Pa., about 50 miles northwest of Scranton.

The 22-year-old Powell almost didn't last the first inning, but he said he expected trouble at the start.

"I'm always wild in the first inning," he said, explaining the two walks that helped load the bases. He reared back, however, and forced hard-hitting Don Demeter to pop up and fanned Don Hoak to get out of the inning. Powell, who had worked strictly in relief since joining the Mets from the Class A Auburn team last month of the New York-Penn For Title Tonight League, said he was surprised when Stengel gave him a start
